QUALIFYING FOR BREED CHAMPIONSHIP CLASSES

NOTE: The open breed show is a qualifier for the Great American / USDF Breeders Championships – Rocky Mountain Series Final as well as for the RMDS Sporthorse Breeding Championship 2017.

To qualify for the Great American / USDF Breeders Championships – Rocky Mountain Series Final: Horses that have been Champion or Reserve Champion Current Year Foal, Filly, Colts/Geldings, Mare or Stallion at any qualifying show (including this Open Show) are automatically qualified to enter the Great American / USDF Breeders Championships. In addition, any other horse receiving a 77% or better in its age/sex class will be eligible to compete in the final class. A list of qualified horses is maintained by series on the USDF Web site. See the current RMDS Omnibus for a list of qualifying shows for this year.

A horse may qualify for competition in a USDF Breeders Series Final Materiale Championship class by receiving one score of 72.0% or higher in a materiale class held at any USEF-licensed/USDF-recognized DSHB or Dressage competition during the relative competition year. Scores must be earned at competitions licensed by USEF as dressage competitions. Scores earned at competitions licensed by USEF as Regular or Local competitions are not eligible to be used as qualifying scores for the USDFBC series finals materiale championships. The materiale championships will run on the same calendar year as the USDFBC series (January 1-December 31). **Qualifications to compete in a class must be earned in the calendar year that the championship will occur.** Any qualifications earned in other calendar years will not apply. A horse may qualify with a different rider than the rider that competes the horse in the class. Any materiale score earned at any USEF-licensed/USDF-recognized dressage competition with materiale classes scheduled prior to the USDFBC series final material championship class entered in the same calendar year are eligible for qualification to participate in that USDFBC series final.

To qualify for RMDS Sport Horse Breeding Championships: the first and second place horse from any RMDS recognized sport horse breeding class (including this Open Show) is eligible to attend the RMDS Sport Horse Breeding Championships in that class. The horse, owner and handler must be RMDS members in good standing at the time the placing was earned.

All horses entered in any Great American / USDF Breeders Championship Series show must either be registered with USDF or pay a \$25.00 USDF Horse Identification Number Fee (that is good for the life of the horse but not eligible for any USDF Year End Awards), and submit identification information and (if available) a copy of the registry papers directly to USDF or to the first Great American / USDFBC Qualifying Event that they enter. **Any horse participating in the Series Final classes must be lifetime registered with USDF.** The Horse Identification Number Fee will apply toward the (lifetime) USDF Horse Registration Fee. Owners must have a current USDF Participating Membership (PM) or Business Membership (BM) to compete in the series finals classes. Awards may be withheld by USDF to Series winners if the following

information, if known, is not provided to USDF or show management prior to reporting or competition deadlines: name and breed of horse, sire, dam, dam's sire, age, sex, breeder, handler and owner.

USDF membership requirements for the USDF Breeders Series Final Materiale Championship class are the following: Horses are required to have a Lifetime Horse Registration with USDF, Riders are required to have a current USDF Participating Membership and owners are required to have either a USDF Participating Membership or a USDF Business Membership.

For competition purposes, a mares breeding status on January 1 will remain the same until December 31 of the same calendar year (i.e., a mare that is in foal or nursing will remain a broodmare for competition purposes after her foal is weaned, regardless of her actual breeding status, until December 31 of the same year. If she is not in foal on January 1 of the next calendar year, she will remain a Yeld mare, for competition purposes, throughout the next calendar year even if she is successfully re-bred during that year). Exception: During the calendar year in which an embryo-transfer recipient mare is due to foal, the embryo-transfer donor mare must compete according to her breeding status the prior year.

Awards:

- Ribbons to 6th place for the open show classes, champion and reserve champion ribbons for call back classes.
- Open Show classes – 1st place prizes.
- RMDS Sport Horse Breeding Championships neck ribbon to champion and reserve champion, trophy for champion, bridle ribbons 3rd through 8th place.

This may be done at no cost if received by July 1. Change of Region Forms will be accepted and processed after the July 1 deadline only if accompanied by the applicable late fees. Change of Region forms submitted between July 2 and August 1 must include a late fee of \$100. Change of Region forms submitted from August 2 to the closing date of the championship region the rider is declaring for, must include a late fee of \$300.
